

Invitation

Regional Finals

Date: 2 October 2018

Time: 11:30 – 13:15

Location: Fokkerterminal, Den Haag

Register: email to sandra.vanderpal@hiil.org

HiiL is delighted to invite you to the **Innovating Justice Challenge Regional Finals for the Netherlands 2018**, which takes place in The Hague on the 2nd of October 2018! The event will highlight this year's regional finalists from the HiiL Innovating Justice Challenge. Other regional finals will take place in Johannesburg, Dhaka, Lagos, Nairobi, Kampala, and Kyiv in the same month.

The justice start-ups were carefully selected from more than 400 candidates from all over the world. During the event, the entrepreneurs will pitch their justice innovation, we will introduce our Justice Innovation Partners and there will be a keynote on the need for Innovation & Scale in the Justice Sector.

Join our mission!

By 2030, 150 million people will be able to prevent or resolve their most pressing justice problems.

Should you have any questions, or want to register, please contact Sandra van der Pal sandra.vanderpal@hiil.org

The Regional Finalists

[Visual Contracts](#) – an online tool to introduce mobile workers and lawyers to legal design thinking, kickstarting the process of redesigning legal documents, through automatic visualisation.

[Juridische Hulp Online](#) (JHO) – helps private individuals, entrepreneurs, law firms and business service providers to make legal processes/procedures simple and transparent.

[New Dutch Connections – Know Your Rights](#): works to empower refugees by increasing their legal knowledge, to help integrate into society, become advocates for their interests and help pursue professional and personal goals.

[Online Schuldencoach](#) – an online programme for people suffering from debts. It empowers people to get their lives together, by giving them the tools to take action of their situation.

[Lexilu](#) – provides centralised information on rights and obligations for foreign workers abroad, through (offline) app and online (website) in a gamified and visual format.

[AcodeIT](#) – an online platform where people can track the status of their legal cases with an intuitive visual timeline.
